PART 1

Essentials

Policies, dates, and a quick guide to hosting the AMC 10 and AMC 12. For more detailed instructions on how to use the AMC platform, see Part 2.

1. About the AMC 10 and AMC 12

The AMC 10 and AMC 12 are 25-question, 75-minute multiple-choice competitions in high school mathematics, designed to develop students' problem-solving skills and interest in mathematics.

Each competition is offered on two dates, an A date and a B date. Students take either the AMC 10 or the AMC 12 on a given Competition Day. They may not take both on the same day. A student may take both the A and the B competitions, though each competition date requires a separate student license (e.g., five students taking both the AMC 10A and AMC 10B requires the purchase of ten AMC 10 licenses).

2. Key Dates and Deadlines for 2026-27

The AMC 10 and AMC 12 share the same registration deadlines and competition dates for the 2026-27 cycle.

Milestone	Date	Notes
Early Bird registration deadline	September 30, 2026	\$55 registration fee
Regular registration deadline	October 15, 2026	\$75 registration fee; final deadline for new Competition Managers
Late registration deadline	October 28, 2026	\$115 registration fee (returning Competition Managers only)
Additional bundles deadline, A date	November 4, 2026	Deadline for purchase of AMC 10A and AMC 12A licenses
AMC 10A and AMC 12A competition date	November 5, 2026	8:00 a.m. to 11:59 p.m. ET
Additional bundles deadline, B date	November 12, 2026	Deadline for purchase of AMC 10B and AMC 12B licenses
AMC 10B and AMC 12B competition date	November 13, 2026	8:00 a.m. to 11:59 p.m. ET

You may find more information about registration at maa.org/amcreg. Please note that you will not be able to gain access to the competitions and register your students until we have received payment, so if paying by check please register as early as possible to allow for processing and mailing time.

3. Student Eligibility

Competition	Eligibility requirement
AMC 10	Grade 10 or below, and under 17.5 years of age on the day of the competition.
AMC 12	Grade 12 or below, and under 19.5 years of age on the day of the competition.

A student may register to take only one of these competitions on each Competition Day. For example, a student may take the AMC 10A or the AMC 12A, but not both. Refer to our [official MAA AMC policies](#) for full details on student eligibility.

4. AMC Competition Sites and Competition Managers

The AMC may be hosted by math and educational organizations with physical premises for **proctored, on-site** test-taking. Examples include the following:

- Schools
- Universities
- Learning Centers
- Math Circles

Home schools are not permitted as host organizations. The MAA requires competition sites to provide documentation to become a competition site.

Competition Manager eligibility

The MAA AMC is registered and administered by a Competition Manager (CM). A CM must be:

- An adult;
- Not related to, or a legal guardian of, any of the students competing at their site;
- Affiliated with the competition site, and able to demonstrate that affiliation.

Under no circumstances may a parent or guardian of an AMC student register for the competition.

For full eligibility requirements for AMC competition sites and CMs, see our [official MAA AMC policies](#).

Competition Managers register the host site. Students register themselves using the Student Registration URL the CM provides. See Section 18.

5. Pricing, Refunds, and Credit

Register your site at portal.maa.org/Competitions/s/login/ by the deadline. Note there is an earlier deadline for new CMs and sites.

Bundles and student licenses

- One AMC 10 or AMC 12 bundle costs \$30 and provides ten student licenses for that competition.
- Licenses can be used for either the A or B competition dates for the AMC 10 and AMC 12 respectively. Licenses will default to the B competition date in your portal. You may move licenses to the A competition date as needed.
- You will only gain access to the licenses and this year's competition portal(s) once we receive payment.
- A single student participating in both the A and B competitions requires two student licenses.
- Additional bundles ordered close to the deadline must be paid by credit card so that payment is received before the competition.

Registration fee

A registration fee applies for each competition, based on when you register: \$55 for early bird, \$75 for regular, and \$115 for late registration. See Section 2 for the deadlines attached to each tier.

The MAA is not able to provide refunds or credits after registration.

6. Reminders for Competition Day

Permitted Materials for All Students	Prohibited Materials for All Students
Writing utensils, blank scratch paper provided by CM, rulers, compasses, erasers	Calculators, smartwatches, phones, computing devices, protractors, graph paper

- Remote proctoring is never permitted.
- Students may not take both the AMC 10 and the AMC 12 on the same day.
- You should provide blank scratch paper for students; students are not permitted to bring in their own.
- If a student has an urgent need to use the bathroom, all materials remain with the CM. No other breaks are permitted.
- Students should bring lunch and snacks as needed. There is no lunch break during the competition.
- Failing to turn in all devices, or using a device during the competition, is grounds for disqualification.

Find the full list of rules and policies regarding Competition Day [here](#), and regarding violations of the rules [here](#).

7. Post-Competition Discussion Rules

Because host sites administer the competition worldwide on Competition Day, problems and solutions for the AMC 10A and AMC 12A must not be discussed in any online or public forum until the following day, November 6, at 8:00 AM ET.

For the AMC 10B and AMC 12B, the prohibition on discussion in any online or public forum extends until 8:00 AM on Tuesday, November 17, since the B date is a Friday.

Reproduction or dissemination of problems or solutions by phone, email, or any digital media before these respective dates and times is a violation of the competition rules and will result in disqualification.

Classroom tip: Once the discussion embargo passes, set aside class time to discuss problems and solutions.

8. Student Accommodations

Competition Managers may make arrangements consistent with each participant's accommodation plan. AMC 10 and AMC 12 accommodations for physical and learning disabilities include:

- A time extension of either double time or time and a half, and/or
- A Competition Manager or school administrator reading the questions aloud and marking answers as directed by the participant.

Time accommodations for digital administration

If a student taking AMC 10 or AMC 12 requires extra time as an accommodation, the CM must submit the Special Accommodations form on the [MAA AMC Platform](#) under "Competition Resources" after registration to secure online timing extensions. This form is needed only for Digital Administration; CMs need not fill out the form for students taking the Print & Scan format of the AMC 10 or AMC 12 who require additional time.

Translations, braille, and large print

- Simplified Chinese, French, and Spanish translation booklets appear on the "Competition Booklet" page of the Competition Administration Portal and are administered using the Print & Scan format.
- Large print accommodations can be met by administering the competition digitally and using the browser's zoom feature.
- AMC 10 and AMC 12 are available in Braille. CMs may request Braille versions of the exam by emailing amcinfo@maa.org on or before the Regular Registration deadline. Braille competitions are mailed to Competition Managers and must be returned by mail.

9. Inclement Weather and School Closures

If your site is closed on...	What to do
AMC 10A or AMC 12A Competition Day	Move affected students from the A date to the B date in the AMC portal. This is a re-registration process, not a single-click transfer. Follow the full procedure in Section 19.
AMC 10B or AMC 12B Competition Day	You may administer the competition at a local school, university, or library, pending approval of an administrator at your institution. There is no alternate date.

Remote proctoring is not permitted as an alternative under any circumstance. Students found to have taken the AMC 10 or AMC 12 remotely will have their scores canceled.

10. Disqualifications and Cheating

The MAA takes all disqualifications, cheating accusations, and suspicious behavior seriously. During the competition, the Competition Manager or proctor must not answer any questions about the problems, and must ensure that no participant has the opportunity to communicate with any other entity while the competition is in progress.

Administrators who directly observe a student violating the MAA Competitions policies must immediately contact the MAA at amcintegrity@maa.org to report the violation. Review our full [integrity policy](#) before Competition Day.

11. MAA Policy for Changes

Please review the full MAA [AMC official policies](#). The MAA may change program rules, regulations, awards, and conditions of participation in whole or in part. Whenever possible, competition managers will be notified of these changes ahead of time. It is incumbent upon competition participants to stay apprised of any changes to MAA policies or competition rules through MAA's official website.

12. Invitational Competitions

Students who perform exceptionally well on the AMC 10 and/or AMC 12 may be invited to participate in additional competitions, beginning with the American Invitational Mathematics Examination (AIME).

Competition	2026-27 dates	Location
AIME	February 5-6, 2027	Pearson testing centers in their area
USAMO and USAJMO	March 20-21, 2027	Official regional sites around the country, TBA

AIME qualifiers will be contacted directly via the email address they registered with, and will need to keep an eye on their inbox in late November/early December. You can identify your AIME qualifiers using the Award List report. See Section 25. You can read more about the AIME in the [AIME official policies](#).

13. Quick Guide to Hosting the AMC 10 and AMC 12

This is the short version. Each step names the Part 2 section with the full detail.

Before the competition

1. **Review all of the MAA AMC and MAA Competition Academic Integrity policies at** <https://maa.org/student-programs/amc/maa-american-mathematics-competitions-policies/>.
2. **Log in to the MAA AMC Platform.** Complete multi-factor authentication if it is requested, and whitelist the sender address so codes are not blocked. See Section 16.
3. **Apportion your licenses.** Licenses land in the B portal by default. Move what you need to the A portal. See Section 17.
4. **Invite students to register.** Send your unique Student Registration URL and the MAA AMC Student Guide. Allow time for parents and guardians to complete the consent questions. See Section 18.
5. **Confirm student eligibility and approve students.** Mark the check boxes for students individually or use the toggle to check all at once. You can approve up to the number of licenses purchased. Order additional bundles through the [Competitions Registration Portal](#) before the deadline. See Section 18.
6. **Reserve a quiet room** for at least two hours, allowing time for pre- and post-competition activities. See Section 23.
7. **For Print & Scan administration: Print booklets and answer sheets.** Answer sheets are unique to each student and are generated once students are approved. Booklets are released one day before. See Section 20.
8. **For Digital administration: Prepare student login credentials.** Students must bring their student portal credentials on Competition Day. Reset passwords or change account emails from your dashboard as needed. See Section 21.
9. **Preview the competition.** Peruse a practice competition yourself, and encourage students to try a digital practice competition on their own device. See Section 22.

During the competition

1. **Collect all devices.** Calculators, phones, smartwatches, and similar devices. Keep them with you until competitions have been submitted. See Section 23.
2. **Distribute the competition.** Print & Scan: hand out booklets and each student's unique answer sheet. Digital: share the Student Login URL, then the passcode only when you are ready to begin. See Section 23.
3. **Set the timer for 75 minutes and begin.** Digital competitions are timed within the platform and submit automatically at 75 minutes. See Section 23.
4. **For Digital Administration: Confirm every student shows "(In Progress)"** on the Digital Student Registration page. It should say "(Complete)" once they submit their competition. See Section 23.
5. **Monitor students continuously.** Do not answer questions about the problems. See Section 23.

After the competition

1. **For Print & Scan administration: Collect answer sheets and booklets immediately.** Booklets may be returned to students once the embargo on discussing the problems has passed. See Section 23.
2. **For Print & Scan administration: Scan and upload by the deadline,** after checking every answer sheet for complete, clear bubbling. See Section 24.
3. **For Print & Scan administration: Verify your uploads.** Check Upload History to confirm every student appears with their name and Student ID. See Section 24.
4. **Pull your score reports and share individual scores with students.** Never share student scores with other students. See Section 25.

14. Key Contacts

Topic	Contact
Registration, orders, and policies	amcinfo@maa.org or the MAA AMC Help Desk at 1-800-527-3690, Monday through Friday, 8:30 a.m. to 5:00 p.m. ET
Technical issues with the AMC Platform	amctech@maa.org
Disqualifications and cheating reports	amcintegrity@maa.org

PART 2

Platform Walkthrough

Below you can find the full detail for every step in the Quick Guide. There may be slight aesthetic differences between the live MAA AMC Platform and the screenshots in this guide as the site has been visually updated.

15. The MAA AMC Platform at a Glance

Platform link: maa.edvistas.com

The AMC Dashboard

Logging in brings you to the AMC Dashboard, organized in three columns:

- **Before and During the Competition.** Administer the competition and preview practice competitions.
- **After the Competition.** View score reports, print certificates, and access solutions when available.
- **Competition Resources.** Find the Special Accommodations form (needed only for Digital Administration), the large site printing request form, competition manager guides, and more.

The Competition Administration Portal

From the AMC Dashboard, click "Competition Administration Portal." The portal is divided into a Digital Administration column and a Print & Scan Administration column, each with the materials for that format. Six features to know:

1. **Competition Selection.** Switch between past and current competitions. If you are administering multiple competitions in a cycle, for example AMC 10A and AMC 12A, this is how you toggle between them. You will not see the current cycle's competitions until MAA has received payment for your order.
2. **Access the Competition.** Administer digitally, on paper, or both. For Print & Scan, click "Competition Booklet" to print. For Digital, click "Official Digital Competition" to find the Student Login URL and competition passcode.
3. **Manage Student Registration.** Invite students to register and manage your roster. Once a student is registered, they appear on both the Digital and Print & Scan lists.
4. **Download Answer Sheets.** Download the unique, barcoded answer sheets for every registered and approved student so you can print them for Competition Day.

5. **Upload Answer Sheets.** Upload scanned answer sheets after the competition.
6. **Upload History.** Confirm your uploads are processed correctly.

Two administration formats

You choose the administration format, Print & Scan or Digital. The Student Registration URL is the same for both formats, so you do not need to decide before students enroll.

- You may switch formats on the day of the competition.
- You may split a single class between the two formats.

Print & Scan Format:

Digital Format:

The screenshot shows the MAA AMC Student Portal interface. At the top, there's a navigation bar with "Home | My Info" and "Logout". Below that, a header bar displays "AMC 10 A - Fall 2021" and "Directions || / Sign Out". The main content area is titled "Question 1" and features a "Review" button. The question asks: "What is the value of $\frac{(2112 - 2021)^2}{169}$?" Below the question, there are five multiple-choice options: (A) 7, (B) 21, (C) 49, (D) 64, and (E) 91. At the bottom of the page, there is a toolbar with icons for bookmark, note, competition directions, highlighter, line reader, answer eliminator, and ruler.

16. Logging In

After completing MAA AMC registration and payment, you will receive an email inviting you to log in to the MAA AMC Platform. Open <https://maa.edvistas.com> to log in.

New Competition Managers

1. Click "First time login or forgot your password?" on the login page.
2. Enter the email address you used during MAA AMC registration.
3. You will receive an email with instructions for setting your password. Check your spam folder if it does not arrive in your inbox.
4. Set your password and log in with your new credentials. Check the "Remember me on this device" box if it is your personal device; otherwise you will be prompted to complete multi-factor authentication.

The image shows two versions of the MAA AMC Staff Login page. The left version has fields for "User ID" and "Password", a red-bordered button labeled "First-time login or forgot your password?", and a "LOGIN" button. Below the login fields, it says: "If this is your first time accessing the system, please use the 'Forgot your Password?' link to establish your password." The right version has an "Email" field, an "EMAIL ME" button, and a "Back to Login section" link. Both versions feature the MAA AMC logo at the top.

Multi-factor authentication

When you log in on a new device, you will see a screen asking you to complete multi-factor authentication. A code is sent automatically to the email address on your account. Please check your spam folder if you do not see it within a few minutes.

Enter the code within 15 minutes and click "Verify."

- On your own computer, check the "Remember me on this device" box to avoid repeating this step.
- On a shared computer, do not check that box.
- You will need to complete multi-factor authentication on each new device.

The image shows a 'Staff Login' screen for the MAA AMC (American Mathematics Competitions). It features the MAA AMC logo at the top. Below the logo, a message states: 'You must complete multi-factor authentication on this device. A code was sent to your email address. Please enter it below.' It also notes 'The code expires in 15 minutes.' There is a text input field labeled 'Code'. Below the field is a checkbox labeled 'Remember me on this device'. At the bottom are two buttons: 'VERIFY' and 'CANCEL'.

The image shows an email from 'noreply@edvistas.com' with the subject 'Educational Vistas login code'. It has 'External' and 'Inbox x' tags. The email body says: 'Enter this code to complete your login: 079963'. It also states: 'This code will expire in 15 minutes.' There is a user icon and the text 'to me' with a dropdown arrow.

Whitelist the sender. Authentication codes come from noreply@edvistas.com. Add that address to your address book or ask your IT team to whitelist it, so codes are not blocked by your school or district email system.

New Competition Managers will only have access to the platform once MAA has received payment for the MAA AMC.

17. Apportioning Your Licenses Between the A and B Dates

This section applies if you are hosting both the A and B versions of the AMC 10 or AMC 12.

New for 2026-27: The licenses you purchased at registration are added to the AMC 10B or AMC 12B portal by default. You may move any number of them to the A portal.

Log in and click "Competition Administration Portal."

Before and During the Competition Competition Administration Portal Practice Competitions	After the Competition Score Report: 2/7/2023 - AIME I - 2023 - 1 students Publicly Available Reports	Competition Resources AMC Registration Competition Dates Digital Administration only: Special Accommodations Form Data Security and Privacy Policy AMC 10/12 Teacher's Manual AMC 8 Teacher's Manual
--	---	---

Confirm the correct competition is displayed in the Competition Selection drop-down menu. Click either "Student Registration" button.

For registration, policy, and payment, contact: amcinfo@maa.org. For technical issues, contact: amctech@maa.org

A single student participating in both the A and B competitions requires two student licenses, one in each competition's portal.

18. Inviting and Approving Students

Share your Student Registration URL

In the Competition Administration Portal, click either "Student Registration" button to find the unique Student Registration URL for that competition.

- Share the URL with students or parents/guardians through a class email list or website.

- Send the correct link if you are hosting multiple competitions.
- Send students the MAA AMC Student Guide (found under "Competition Resources" on the [AMC Dashboard](#)) so they enroll correctly.

Student Registration URL: <https://maa.edvistas.com/datamate/testRegister.aspx?id=b68f8abe-c9b6-41dc-9a7a-a9f1002334f9>

Verify student eligibility and approve your students

As students register, they appear on your list. Students who are not yet approved are grouped at the bottom. Approved students move to the top.

- Verify that each student meets the [eligibility requirements](#) for the competition.
- Check the "Approved" box in each student's row individually, or use the toggle at the top of the column to check all students at once.
- Click the "Save Approved Students" button in the top right corner to save your approvals.
- Students are notified by email when they are registered and when they are approved.
- The licenses used count shows how many more students you can approve.
- To remove a student, deselect the checkmark and save again, or click "Remove" at the end of their row.

12044		Smith	Smith	Smith	1	amchq@maa.org		☒	Reset Pwd	Remove	☐	☐

Legal name and preferred name

The First name field populates from the "Preferred First Name" field on the enrollment form. That is the name that appears on the student's answer sheet and on your registration list. The legal name field is there for you to verify students against an official school roster during approval, if needed.

Consent questions for students under 18

A parent or guardian must review and answer four consent questions and agree to the MAA's Release and Waiver of Liability/Indemnity Agreement before a minor student submits their registration. The "Register for Exam" button at the end of the form must be clicked to complete registration.

- Only AMC 12A and AMC 12B students who are 18 or older may answer the consent questions themselves.
- **Any student under 18 who selects the "I am the student" option is recorded as a no.** Please make students aware of this before they register.
- Allow time for students under 18 to complete this step at home with a parent or guardian.

Ordering additional licenses

If you need more licenses than you originally purchased, order additional bundles through the [Competition Registration Portal](#) before the Additional Bundles Deadline for that date. See Section 2 for the deadlines. Additional bundles ordered close to the deadline must be paid by credit card so that payment is received before the competition.

19. Contingency Planning: Moving Students to the B Date

If one or more of your students need to switch from the A to the B competition dates (e.g., bad weather closes your school, illness), you may make this change yourself by following these steps:

1. Click "Remove" next to each student who is moving to the AMC 10B or AMC 12B.
2. Move the newly available licenses to the AMC 10B or AMC 12B portal. See Section 17.
3. Navigate to the B date portal using the Competition Selection drop-down list.
4. Open the Student Registration page and send those students the new registration link at the top of the page.
5. Ask the students and their parents or guardians to complete the new B date registration as soon as possible, including the consent questions.
6. Approve the students in your B portal.

20. Preparing for Competition Day: Print & Scan Format

Print your competition booklets

1. One day before the competition, click "Competition Booklet."
2. On the following page, click "Print Booklet" to open the competition booklet. You will also see options in French, Spanish, and Simplified Chinese.
3. Print as many copies as you need.

Large sites can request an extra day for printing using the form under "Competition Resources" on the [AMC Dashboard](#).

Print your answer sheets

Click "Download Answer Sheets" to automatically download the barcoded bubble sheets as a PDF, which you can then print.

- Students must be enrolled and approved for their answer sheets to generate.
- Each answer sheet is unique to one student; you cannot cross out the name and use it for any other student.
- Print answer sheets early, so you have less printing to do the day before the competition when booklets are released.

21. Preparing for Competition Day: Digital Format

Prepare student login credentials

Tell students and their parents that they will need to bring their portal login credentials on Competition Day to access the digital competition.

- You can reset a student's password and update their email address from your dashboard as needed.

- If a returning student cannot log in to register, use the Competition Selection menu to open a past competition's registration list. From there you can reset their password and identify the email address they used the previous year.

Troubleshooting during the competition

- **Frozen screen.** Ask the student to refresh the page, or log out and back in. The competition should resume where they left off.
- **Significant lost time.** If a student on the AMC 10 or AMC 12 loses a significant amount of time to a frozen screen or Wi-Fi problems, email amctech@maa.org immediately. Lost minutes can be added back to the student's digital timer while the competition is still in progress.
- **Paper backup.** Print a few paper competition booklets as a backup for students who hit major technical difficulty. Note that questions in the printed booklet may appear in a slightly different order than in the digital version of the AMC 10 and AMC 12.
- **Submission problems.** Contact amctech@maa.org with the student's name so their answers can be force submitted.

About the digital timer. On the AMC 10 and AMC 12, the clock at the top of the screen is an actual timer. It forces students to submit their work when 75 minutes are up.

22. Technical Requirements and Previewing the Competition

Tech specs

The MAA AMC Platform works with recent versions of mainstream web browsers, including Google Chrome, Mozilla Firefox, Apple Safari, and Microsoft Edge, and recent operating systems, including Windows, macOS, iOS, Chrome OS, and Android.

- **Digital Administration.** Accessible on desktops, laptops, and tablets with a supported browser and operating system. Desktops and laptops are recommended. Kiosk mode is available on Google Chromebooks.
- **Print & Scan Administration.** Requires a printer and a scanner capable of producing PDF, JPEG, or black and white TIFF images at 300 dpi.

Preview the competition yourself

Click "Practice Competitions" on your main dashboard to see the Digital and Print (PDF) practice competitions. Opening a digital or print competition will help you preview the Competition Day experience.

- Print & Scan Competition Managers can print a practice competition booklet to gauge how long printing will take on Competition Day.

Have students preview the competition

You should ensure students are familiar with the digital system in advance. We highly encourage all students to try a digital practice competition. It lets them check the layout and tools, and confirm there are no issues with their device, browser, or internet connection.

Students access practice competitions from the [AMC Student Portal](#) login page, using the "Click here for Practice Competitions" button under the Login section. They can then choose any of the past digital competitions listed.

- [AMC 8 - 2023](#)

If students have technical difficulties with a practice or an official competition, email amctech@maa.org.

23. Administering the Competition

When to administer

The AMC 10 and AMC 12 may be administered between 8:00 a.m. and 11:59 p.m. ET on Competition Day. Students are locked out after 11:59 p.m. ET.

Reserve a quiet room for at least two hours, which allows time for pre- and post-competition activities. Reminder: students can take only the AMC 10 or the AMC 12 on a given day.

Collect all electronic devices

Before sharing the competition with students, collect all calculators, phones, smartwatches, and similar devices.

- Keep student devices with you until competitions have been submitted.
- Remind students that failing to turn in all devices, or using a device during the competition, is grounds for disqualification.

Distribute the competition: Print & Scan format

1. Pass out the competition booklets and each participant's unique answer sheet.
2. Ask students to read the booklet's front page and not to open the booklet until instructed.
3. Set the timer for 75 minutes and begin.

Distribute the competition: Digital format

1. Click "Official Digital Competition" and distribute the Student Login URL to your students by email or class website posting.
2. Instruct students to sign in to their student portals.
3. Distribute your unique Digital Competition Passcode only when you are ready to begin. This is what unlocks the digital competition.
4. Instruct students to read the instructions and begin.
5. Open the Digital Student Registration page and verify that each student present shows "In Progress." That confirms they have all successfully accessed the digital competition.

Digital Administration	Print & Scan Administration
<div>Official Digital Competition</div>	<div>Competition Booklet</div>
<div>Digital Student Registration 11/5/2026</div>	<div>Print & Scan Student Registration 11/5/2026</div>

Below, you will find your official digital competition link to administer the competition.
When you are ready to administer the digital competition, please provide this link and passcode to your students.
The competition will begin as soon as students enter the unique passcode.

Student Login URL: <https://maa.edvistas.com/datamate/studentlogin.aspx>

Digital Competition Passcode: 7872

DO NOT PROVIDE THIS PASSCODE TO STUDENTS PRIOR TO THE COMPETITION START TIME.

Monitor the competition

- Monitor your students continuously for the entire competition.
- Ensure participants cannot communicate by any means while the competition is in progress.
- Do not answer any questions about the problems.
- If a student has an urgent need to use the bathroom, all materials must remain with you. No other breaks are permitted.

End the competition

Print & Scan format. After 75 minutes, direct students to stop working. Collect the answer sheets and competition booklets immediately. Booklets may be returned to participants after the embargo on discussing the problems ends. See Section 7.

Digital format. Open the Digital Student Registration page. Once every participant shows "(Complete)" in the Approved column, you are done. If a student has trouble submitting, contact amctech@maa.org with their name so their answers can be force submitted.

Student Registration URL: https://maa.edvistas.com/datamate/testRegister.aspx?id=b68f8abe-c9b6-41dc-9a7a-a9f1002334f9						Save Approved Students
Licenses used: 5 / 20						☐ Toggle All Approved
ID	Last	First	Grade	Email	Additional Time	Approved
999999925	999999925	Student	10	0002_999999925		☐ (Complete)
999999926	999999926	Student	10	0002_999999926		☐ (Complete)

24. Scanning and Uploading Answer Sheets

This section applies to the Print & Scan format only. Upload your answer sheets by the deadline shown on the Upload page.

Scan in the required format

- Scan at 300 dpi resolution or higher, as a PDF, JPG/JPEG, or black and white TIF/TIFF file. The black and white restriction applies only to TIF/TIFF files.
- Scan at 8.5 by 11 inch page size.
- **Do not scan sheets for students who were absent.**

3. Click "Choose Files" and select the file or ZIP file of images from the file explorer window.
4. Click "Open" in the lower right corner of the pop-up screen.

5. Click the "Upload" button on the page.

Verify your answer sheets

1. Review your scans for quality before submitting them. This screen also tells you if the file format is invalid.
2. Rescan and reupload if the images do not look clear and legible.
3. If they are legible, click "I verified these images" to complete the uploading process.

Check your records

Open the "Upload History" page in your portal.

- Click the "View" link at the end of each row to see the scan.
- If a student is missing, rescan and reupload their answer sheet.
- A row with a blank student name and ID means that this answer sheet is being held for manual review.

- If you accidentally uploaded the same file twice, the system retains the most recent version and ignores the duplicates. You do not need to delete them.
- If all of your students' answer sheets appear with their names and IDs and look clear, you are all set.

Welcome to your Upload History page!

The list below displays a record of every student competition answer sheet you have uploaded to the EVI system.

Currently, there are **14** answer sheets uploaded associated with **8** unique Student IDs.

Red and bolded Student IDs indicate that duplicate files have been uploaded.

Student name & ID in highlighted row aren't visible because their answer sheet is being held for review

25. Score Reports and Sharing Scores

When scores are available

- **Digital Administration.** Score reports are released to Competition Managers at 8 a.m. ET the day after the embargo on discussing the competition ends. See Section 7.
- **Print & Scan Administration.** Preliminary, unofficial reports appear in the CM Dashboard after 8 a.m. ET the day after the embargo on discussing the competition ends, for all those CMs who have uploaded answer sheets already. See Section 7. After this point, unofficial score reports are available immediately after the uploads are processed. These scores must be manually validated by the MAA before they are shared with students. MAA will announce when scores are finalized.

If you do not see your Print & Scan results after uploading and after the embargo has passed, your answer sheets have likely been flagged for manual review because of scan quality. Rescanning may speed up processing.

Find your score reports

There are two ways to reach your reports:

- Click the relevant report when it appears on your main dashboard under "After the Competition." (MAA AMC solution sets and certificates for recognizing students also appear in this column when available).
- Click "Reports" in the upper left corner of the dashboard.

Welcome to the MAA American Mathematics Competitions!

Manage your participants, find key dates and information, and view practice competitions below:

Multiple Choice	
Score	36/150
Overall Summary	

Summary of report types

Report	Where to find it	What it shows
Student List By Name	List Reports	All of your students' scores at a glance, in alphabetical order.
Student List By Score	List Reports	All of your students' scores at a glance, ordered by score.
Award List	List Reports	Your AIME qualifiers and those students who have scored high enough to earn distinctions or place in the top three at your school.
Horizontal Summary by Alpha or By Score	Summary Reports	How your students collectively answered each question. The top rows display the correct answers and Common Core standards for each problem. Each student's row shows their incorrect answer, or a blank space where they answered correctly.
Student Details	Individual Reports	A report for each student, including their answers, the correct answers, points received, and overall score.

Export your reports

Save or print a copy of any report using the "Export to PDF" or "Export to CSV" buttons on the right side of the page. For the Student Details report, you can export all students or only the student currently highlighted.

Share scores with students

Share only individual scores with a student. Never share a full list that includes other students' scores.

Method 1. Export the "Student Details" report to PDF. Print the PDFs and hand out scores to your students, or email them the PDFs or screenshots of their score reports. Downloading separate reports is recommended if you are using the email option.

Method 2. Export the "Student Details" report to CSV. Copy each student's row into an email or a mail merge. Correct answers are not included in this version. The student's score appears in the Group1Pts column toward the end of the spreadsheet. If you included a District Student ID at enrollment, it appears in the student's row.

Name	StudentId	DistrictId	Grade	Problem 1	Problem 1	Problem 2	Problem 2	Problem 3	Problem 3	Problem 4	Problem 4	Problem 5	Problem 5
Blackwell, David	19876		10 A		6 D		6		1.5 A		6 B		6
Johnson, Katherine	12345		10 A		6		1.5 C		6 B		0		1.5
Lovelace, Ada	67891		10 A		6 D		6 B		0 B		0		1.5
Newton, Isaac	54321		10 A		6 B		0		1.5 B		0 A		0

Student access to scores

Students can view their own scores by logging in to the [AMC Student Portal](#) and clicking "My Profile/Scores," once scores have been finalized and are official. This is typically a few weeks after the competition dates. Students can use the Filter By Year drop-down to move between cycles. Each year listed is the ending year of an MAA AMC cycle.

The screenshot shows the MAA AMC Student Portal interface. At the top, the user is logged in as Mary Smith. The navigation bar includes links for Home, My Info, and My Profile/Scores (which is highlighted with a red box). Below the navigation bar, there are tabs for Profile and Assessments. The Assessments tab is active, showing a filter by year set to 'All'. The main content area displays the following information: '11/8/2023 - AMC 10 A - Fall 2023', 'MAA Test 2, Grade: 10', and a score of '24 / 150'. At the bottom, there is a section for 'Competitions Available To Be Taken' which shows 'None at this time'. The MAA AMC logo is visible in the bottom left corner.

Certificates

Downloadable, fillable PDF certificates are available under the "After the Competition" column of the AMC Dashboard. Use them to recognize student participation and performance.
