Registration Steps

Please follow these steps to register for the MAA AMC.

1. Log In

Log into the Competitions Registration Portal at <https://portal.maa.org/Competitions/s/login/>.

New Competitions Managers (CMs): Click “Create an account” to get started.

Returning CMs: Use your existing credentials to log in. For added security, you’ll be prompted to update your password. Once logged in, you’ll be redirected to your profile page—skip to Step 3 from there.

2. Create an Account (New CMs)

Enter an email address

Provide your work email address and click “Verify email.” If you have an existing account, you’ll be redirected to the login page. If not, you’ll proceed to the next step.

Add your institution

Search for your Institution and select it. If you do not find it appear in the drop-down list, click "Add New Institution."

* School Name

Add New institution

Complete all fields, including selecting the type of institution you are affiliated with from the "School Type" list (e.g. Math Circle, High School). Please include the city/state your institution is located in your institution name. For example, "Central High School - Washington, DC."

* School Code
<input type="text"/>
School Type
<input type="text" value="Choose One..."/>
School Address
<input type="text"/>
School Postal Code
<input type="text"/>

Provide your CM information

Complete all fields and click "submit." A pop-up box will note that a validation link has been sent. **At this time, you will need to check your email for a validation link in order to proceed.**

Important: You must check the "Competition Manager" box above "First Name" during registration to be able to register as a competition manager for your institution.

Validate your email address

Find the email from amcinfo@maa.org in your email inbox, with the subject line "**Set your MAA AMC Registration Portal password**". Check your spam folder if you do not see it within a few minutes. The link should be valid for 72 hours. Click on the "reset password" link in the email, and log in.

Submit vetting documentation

After creating your account, you will receive a welcome email that lists the documentation you need to provide so that we can verify you and your site are eligible to host the MAA AMC. Check your spam folder if you do not see this email in your inbox within a few minutes.

Please follow the instructions in the email and submit your documents as soon as possible. Allow three business days (or possibly longer closer to registration deadlines) for the vetting to be completed and your account approved.

Once you have been approved as a Competition Manager, you will find a Registration button in the top menu bar after you log into the [Competition Registration Portal](#).

3. Register

After you have logged in, you will be redirected to your profile page. Your profile page lets you view your contact information, affiliated institutions, and current or past orders. Use the left-side menu to navigate between these sections.

The top menu includes links to AMC registration, the CM portal (the AMC administration platform), and resources like the registration FAQ and AMC policies. If you need to add a new school as a returning CM, use the “Request to Add a New School” option.

Click “Registration” to start signing up for competitions.

School selection

Select the school you are registering as a competition site.

Competition selection

Select the competition you wish to register for. You may select only one competition at a time. You will need to complete this step again later to register for multiple competitions.

This registration will auto populate an order for one bundle of 10 student licenses for the competition selected. You may add additional bundles at the registration details stage or during the checkout process.

Note: For the AMC 10 and AMC 12, you will not register for the A and B competition dates specifically. You will distribute licenses for the AMC 10 and AMC 12 across the A and B dates as needed. For more information, please see our [FAQ](#).

☐ Competition	Description
☐ 2025 AMC 10 - Competition: Print & Scan or Digital	The AMC 10 is a 25-question, 75-minute multiple-choice competition focused on curriculum through grade 10. You will be prompted next to choose a number of student licenses (in bundles of 10) to include with your registration. New in 2025-26: each license can be applied to the A or the B exam freely at any time before competition day. Print & Scan administration can use downloadable PDFs in English, French, Spanish, or Simplified Chinese versions.
☐ 2025 AMC 12 - Competition: Print & Scan or Digital	The AMC 12 is a 25-question, 75-minute multiple-choice competition focused on curriculum through grade 12. You will be prompted next to choose a number of student licenses (in bundles of 10) to include with your registration. New in 2025-26: each license can be applied to the A or the B exam freely at any time before competition day. Print & Scan administration can use downloadable PDFs in English, French, Spanish, or Simplified Chinese versions.
☐ 2026 AMC 8 - Competition: Print & Scan or Digital	The AMC 8 is a 25-question, 40-minute multiple-choice competition in middle school mathematics. You will be prompted next to choose a number of student licenses (in bundles of 10) to include with your registration. Print & Scan administration can use downloadable PDFs in English, French, Spanish, or Simplified Chinese versions.

Additional registration details

Enter the email of the person responsible for payment. You can add additional emails for others involved in competition administration.

Update the number of bundles for the competition if you need more than 10 student licenses.

Reminder: Each student taking both the A and B versions requires two student licenses.

New for 2026-27: There are two questions to be completed at the bottom of the page. First, you must check the box acknowledging that you will review and abide by the official MAA AMC rules and policies.

You will also need to indicate if you wish to have your competition site publicly listed so that students looking for MAA AMC sites may find you and take the competition with you. We will only include the name of the school, the school address, and the competitions being offered in the public listing, for those sites who choose to opt in.

Registration Details

Please note that there is an additional one-time fee for **each of** the AMC 8, AMC 10 and AMC 12 competitions. To order multiple products for the same competition, you do not need to pay the fee twice. Please see our FAQ page (under Resources) for how to avoid having the one-time fee in your cart more than once.

View your shopping cart

Your shopping cart shows the number of bundles and registration fees for the selected competitions (AMC 8, AMC 10, and/or AMC 12). Only one registration fee is charged per competition. Additional bundles can be ordered later without an additional registration fee, as long as payment is received in between.

To add additional bundles to your order at this stage, update the quantity in the drop down menu for that item. For more than 9 bundles, select "Other" and enter the quantity.

If you see multiple fees for the same exam (e.g., AMC 10), contact the Service Center at amcinfo@maa.org.

To register for just one competition, click “Checkout.” Otherwise, click “Registration” in the top menu again to add more competitions to your cart.

Reminder: If you use this option, **we must receive payment by check before you have access to the platform.** If you need additional bundles later, **you will be charged the registration fee again unless this previous invoice is already paid.**

View your invoice later

Click the user icon in the top right to return to your profile. When ready to pay your invoice, go to Orders in the side menu and select "Pay Now" for the relevant order. If you mail a check, the payment will be processed by our Service Center and added to your account once it has been received.

The screenshot shows the 'Orders' page. On the left is a sidebar with a user icon, 'User Acceptance Testing', and links for 'My Profile', 'My Institutions', and 'Orders' (which is highlighted). The main content area has a header 'Orders' with a shopping cart icon. Below this are three summary cards: 'Past Due' (Total Balance Due \$0.00), 'Upcoming Order #: 000964305' (Total Balance Due \$195.00 with a 'Pay Now' button), and 'Open Orders' (Total Balance Due \$195.00 with a 'Pay Now' button). Below the cards are tabs for 'Open Orders' and 'All Orders'. A search section includes a search bar, a 'Date Range' dropdown set to '01/01/2025 -12/31/2025', and icons for 'eye', 'download', and 'Pay'. It states 'Orders found: 1'. A table follows with columns: Order/Invoice #, Items, Due Date, and Balance Due. One row is visible for order 000964305, item '2025 AMC 12 - Competition: Print & Scan or Digital , AMC ...', due date '05/28/2025', and balance due '\$195.00'.

5. Purchase Additional Bundles (Optional)

If you need more licenses after your initial purchase, follow steps 1, 3, and 4 again to purchase additional bundles before the deadlines listed on page 2. Please ensure we have already received payment for the initial order to avoid being charged the registration fee a second time.

Additional bundles ordered close to the deadlines must be paid for by credit card in order to be processed in time for Competition Day. For the AMC 8, the additional bundle deadline is 11:59 p.m. the day before you are scheduled to give the competition during Competition Week.
