Free access to scripts service

From **20 August 2026** until **11 December 2026**, you will be able to view and download scripts which have been marked online free of charge using our Access to Scripts service.

The Portal can only be accessed by Edexcel Online users who have the *Exam Viewer* profile ticked on Edexcel Online. Exams officers give teachers access to *Exam Viewer*.

As exams are summative, rather than formative assessments, scripts do not have examiner annotation on them. The marked script allows teachers to evaluate how the student performed on particular questions in relation to what they have been taught; the examiner's report and the exemplars that we make available demonstrate how the mark scheme is applied.

If scripts have been marked 'traditionally' (i.e. not onscreen), you will need to request them, free of charge, by **11 December 2026**, via the *Post Results* section of Edexcel Online. This includes scripts that have been word-processed, or which have had additional sheets added to the answer booklet.

Candidate consent

Candidate consent is required before requesting script copies, as per section 4.2 of the JCQ's Post-results services guide. **Candidate consent can only be obtained after results have been published**.

How to apply for post-results services

Please speak to your exams officer if you wish to proceed with a review of marking. Exams officers should contact their Centre Account Specialist on 0344 463 2535 if they require guidance, read this guidance, or view this video. All applications for reviews of marking must be submitted through Edexcel Online.

Why are reviews of marking results sometimes received very quickly?

Senior examiners who carry out reviews of marking are re-trained prior to commencing reviews. As soon as you submit a request for a review of marking on Edexcel Online, the script is sent to the allocated senior examiner digitally. If they are sitting at their desk, they could receive the script and start reviewing it within minutes of your request.

Understanding more about the quality and accuracy of marking

Please have a look at this webpage if you'd like to find out more about how we ensure that our marking is fair and accurate.

Appeals

If you are dissatisfied with the outcome of a review of marking, you may wish to appeal against the decision. We will allow the head of centre (or designated member of the centre's senior management team or examinations manager) 30 calendar days from the receipt of the outcome to lodge an appeal against a RoMM decision. Appeals must be submitted using the appeals webform.
